Commitment to Accessibility

Black and White Films is committed to ensuring digital accessibility for all users, including people with disabilities. We continually strive to improve the user experience for everyone by applying the relevant accessibility standards.

1. Measures to Support Accessibility

We take the following steps:

- Using Wix's built-in accessibility tools (such as ALT text, semantic headings, and keyboard navigation).
- Regularly reviewing content for color contrast and readability.
- Providing clear navigation and consistent structure across pages.

2. Conformance Status

Our website aims to comply with the **WCAG 2.1 Level AA** accessibility standards and the **Israeli Standard 5568** for web accessibility.

While we work to maintain full compliance, some older content or third-party elements may not yet meet all accessibility requirements.

We welcome your feedback on accessibility and usability.
